

### Waneta Terrestrial Compensation Program – Funded Projects 2012-2018

Year	Recipient	Project Name	Funded Amount
2018	Janice Arndt	Species at Risk Inventory for Butterflies and Bumble Bees	\$9,500
2018	Dulisse Consulting and Pandion Ecological Research Ltd.	Reptile at Risk Conservation Project	\$15,000
2018	Lincoln R. Best	Biodiversity and Floral Relationships of the Spring Native Bee Fauna of the Pend d'Oreille	\$12,000
2018	School District 8	Douglas Fir Beetle Trapping	\$2,500
2018	VAST Resource Solutions Inc.	Understanding Pathways of Potential White Nose Syndrome Transmission in Bat Habitats of the Pend d'Oreille and Lower Columbia Valleys	\$11,000
2017	Beckwith Ecologies	Recovery Strategy for Red-Listed <i>Clarkia rhomboidea</i>	\$5,000
2017	Lincoln R. Best	Pollinator Biodiversity Survey of the Pend d'Oreille Valley	\$9,000
2017	Central Kootenay Invasive Species Society	Biocontrol Monitoring in the Pend d'Oreille	\$4,150
2017	Kootenay Native Plant Society	Milkweed and Monarchs	\$2,350
2017	Dulisse Consulting	Reptile at Risk Conservation	\$15,000
2017	Wildlife Conservation Society Canada	Surveillance and Preparation for the Arrival of White-Nose Syndrome	\$14,500
2016	Wildlife Conservation Society Canada	Assessing the risk posed by White-nose Syndrome to BC's largest bat hibernaculum	\$14,370
2016	Dulisse Consulting and Pandion Ecological Research Ltd.	Reptile at Risk Conservation	\$14,356
2016	Kootenay Native Plant Society	Milkweed and Monarchs	\$7,360
2016	Janice Arndt	Bank Swallow Survey	\$3,800
2016	LV Rogers Secondary School	Bird and Bat Stewardship	\$1,874
2016	Beckwith Ecologies	Conservation Strategy for Red-Listed <i>Clarkia rhomboidea</i>	\$4,240

<b>Year</b>	<b>Recipient</b>	<b>Project Name</b>	<b>Funded Amount</b>
2016	Durand Ecologies	Species at Risk Inventory of Terrestrial Molluscs	\$4,000
2015	Janice Arndt	Bank Swallow Survey	\$3,950
2015	Dulisse Consulting and Pandion Ecological Research Ltd.	Reptiles at Risk Conservation	\$10,000
2015	Kootenay Native Plant Society	Milkweed Enhancement – Native Plant Pollinator Interactions	\$5,500
2015	Pandion Ecological Research Ltd.	Yellow-Breasted Chat Critical Habitat Restoration	\$14,350
2015	VAST Resource Solutions	Determining Species Diversity and Population Size of Bats	\$16,200
2014	Dulisse Consulting and Pandion Ecological Research Ltd.	Reptiles at Risk Conservation	\$15,000
2014	Kootenay Native Plant Society	Supporting Native Pollinator Populations with Native Plants in the Waneta Area	\$5,000
2014	Pandion Ecological Research Ltd.	Yellow-Breasted Chat Critical Habitat Restoration	\$15,000
2014	VAST Resource Solutions	Determining Species Diversity and Population Size of Bats	\$15,000
2013	Janice Arndt	Life history of the blue-listed Checkered Skipper butterfly in the Pend d'Oreille Valley	\$3,290
2013	Dulisse Consulting and Pandion Ecological Research Ltd.	Reptiles at Risk Conservation	\$15,000
2013	Pandion Ecological Research Ltd. and Keefer Ecological Services	Yellow-Breasted Chat Critical Habitat Restoration	\$15,350
2013	Trail Wildlife Association/Fort	Fort Shepherd Conservancy Area Restoration: Phase II implementation	\$10,200

	Shepherd Stewardship Council		
<b>Year</b>	<b>Recipient</b>	<b>Project Name</b>	<b>Funded Amount</b>
2013	Environment Canada	Inventory, monitoring, and prioritization of conservation activities for Lewis's Woodpecker in the Waneta area	\$6,160
2012	Janice Arndt	Species at Risk Inventory for Butterflies in the Waneta and Fort Shepherd Conservancy Areas	\$8,600
2012	West Kootenay Native Plant Study Group	Kootenay Camas – Waneta & Pend D'Oreille Camas Inventory	\$4,450
2012	Pandion Ecological Research Ltd.	Yellow-Breasted Chat Critical Habitat Restoration	\$11,990
2012	The Land Conservancy of BC	Fort Shepherd Conservancy Area: Habitat Restoration Project	\$17,409
2012	Seepanee Ecological Consulting	Common Nighthawk Use of Transmission Lines	\$7,551
